2019 Summer Youth Employment and Learning Program Participant Handbook

Purpose of this Handbook

This Participant Handbook provides important program information and explains your responsibilities as a participant in the Summer Youth Employment and Learning Program (SYELP).

Program Overview

The SYELP provides youth ages 14 through 21 with an opportunity to gain valuable employment related knowledge and skills through actual work experience. Worksite assignments may be at a private employer or non-profit organization. The goals and objectives of the SYELP are to: increase your work readiness skills, expose you to various employment opportunities, provide you with opportunities for work-related training, and encourage you to remain in to school by showing you how school completion leads to success in the workplace. The program lasts four to six weeks during the months of July and August.

Important Information Related to Participation in SYELP

Accidents

If you are injured on the job, notify your site supervisor and program supervisor at once. See proper medical attention immediately and an incident report must be completed within **24 hours**. *Call or text 911 if needed.*

Problems

If a problem arises at the worksite, discuss it with your program supervisor. If your supervisor cannot resolve the problem, you will be referred to a representative from your program agency.

Termination

If you decide to leave the program, you'll need to notify your program supervisor in advance. Your program supervisor, in turn, will notify your worksite supervisor (if applicable) and CWP. This will insure proper processing of your last paycheck. In the unlikely event that you violate a serious code of conduct or work rule, you may be put on leave from the program. The rules and code of conduct are contained in this handbook.

Grievance Procedure

Capital Workforce Partners (CWP) and its Provider Organizations assure that participants and staff employed under SYELP shall not be discriminated against on the grounds of race, creed, color, handicap, national origin, sex, political affiliation, sexual orientation or beliefs. Capital Workforce Partners does not tolerate any type of sexual harassment. If you feel that you have been discriminated against or sexually harassed contact your program agency or Capital Workforce Partners at the following address.

Important Information Related to Participation in SYELP Continued

Political Activities

Federal law prohibits Summer Youth Employment and Learning Program participants from taking part in partisan political activities such as lobbying, fund raising, making speeches, assisting at meetings, and distributing pamphlets during work hours.

Safety

Supervisors may not allow youth to do any work or to work in any place or with any equipment that does not comply with the applicable state and federal laws governing health and safety requirements.

Monitoring

It is important to note that worksites will be monitored throughout the summer by representatives from Capital Workforce Partners and agencies funding and operating the program. This is to ensure that all aspects of the program are meeting our commitment to provide you with a meaningful work experience. You may be selected to be interviewed by a monitor; if so, you are to cooperate fully in this monitoring process.

Attendance Sheet

Each program site, including worksites and service learning sites, must have an attendance sheet, and participants must sign in and sign out at the start and end of each period of learning, service, and work.

Lunch breaks must be unpaid; therefore, participants are required to sign out at the start of each lunch break and sign in at the end of the lunch break. A lunch break is required for shifts of seven and one-half (7.5) consecutive hours or more. A lunch break must be at least 30 minutes and shall be given some time after the first two hours and before the last two hours.

Individualized Time Sheets

Each participant's actual daily hours must be recorded on individual time sheets. Each time sheet must document the participant's actual hours of learning, service and work, and note the start and stop times for unpaid lunch breaks as applicable. Participants may be paid only for hours that they actually attended learning and work activities. Participants may not be paid for hours that they did not actually attend.
