

On-the-Job Training Funding and Resources

Learn more about available tools to assist your business

Capital Workforce Partners (CWP) is offering funding and other resources to manufacturers and IT companies in North-Central Connecticut who provide on-the-job training (OJT) to new employees affected by the COVID-19 pandemic.

Benefits to Employers:

- Through December 2020, receive a 50% or 75% wage reimbursement to offset on-the-job (OJT) training costs for eligible new hires
- Gain access to a pipeline of job-ready candidates
- CWP will screen prospective job candidates for program eligibility
- Employer makes all hiring decisions
- Additional funding available through CWP Dislocated Worker Grant through September 2021
