LEGISLATIVE UPDATE – Chairman Mongellow

- Chairman Mongellow stated that there were no real surprises at the State Capitol Matt Ritter is the new Speaker of the House. Jason Rojas is the Majority Leader. Jason is a very nice man very pro education and workforce development. On the Senate side no real surprises. We picked up a few seats in the House. We are ready to do business we would like to see existing Legislature release some dollars from Bonding. We are hopeful that no rescissions will occur especially with the influx of tri-state people starting to pay taxes to the state. CT should be in a good place with appropriations come the beginning of the year. We will stay close and watch the Chairmanships.

MISSION MOMENT – Profile of our Job Seekers – Kimberly Staley

- Kimberly gave an in-depth report on who are customers are that use the American Job Centers. This summary covers the period of July 1, 2019 through June 30, 2020. Committee Updates
Finance Report – Renata Dixon & Mike Rubin

- Renata stated that the Finance & Audit committee met earlier this month. We received a clean unmodified opinion. She said it was difficult due to COVID and having to do the audit remotely. All parties worked well together. Mike stated that we received a clean, unmodified opinion for our audit. He shared with the committee that it was a long and difficult audit. Being offsite for everyone involved presented some issues but we were able to secure everything they needed. The controller leaving just prior to the start of the audit presented some difficulty.

Revenue without restrictions increased $1,300,000
Expenditures increased in line with revenue
Net assets without door restrictions increased $44,000
Donor restricted decreased due to timing on Summer Youth contributions
Amounts reflect expected decrease in final indirect cost rate
Significant increase in cash due to PPP loan and timing on payments to subrecipients

The auditors suggested having a full cyber security audit which they said they could do.
Certification of access rights not complete yet but it’s in process

Renata welcomed our newest employee Laura Hitt who has accepted the position as Controller. Laura introduced herself to the Board.

Renata asked Mike if he thought a budget revision would be necessary and the response was yes. Mike will be working with Laura on where best to use the PPP loan. A reminder that 60% must be used for payroll and the remaining 40% for rent or utilities. There will be a new standard adopted next year regarding rent. More to come on that topic. There was an error on the PPP loan application and we do not have to submit our forgiveness loan by 12-31-20.

There were several questions posed by members of the Board which Mike answered in addition to suggesting it might be time with checks and balances to look at other auditing firms. That discussion will come up under Finance & Audit.

Outcome: A motion to accept the audit was made by Renata Dixon and seconded by G. Duncan Harris. All were in favor; none opposed; the motion carried.
