

# Connecticut Women Can Weld!

**FREE**

**CT Women Can Weld!** is a **no-cost** training program that introduces women to exciting careers in welding.

The program is 10 weeks long, 32 hours a week, Monday through Thursday from 7:00 am-3:30 pm

The program will be conducted by the Ironworkers Local 15 Joint Apprenticeship Training.

Classes begin

**Monday, March 8, 2021**

## **Program features include:**

- A math refresher course & test preparation
- 10 weeks of technical training
- An opportunity to meet and network with women in the field
- Workplace readiness and basic construction skills – “hands-on” experience

**If you are interested,  
please fill out the pre-application:**
