

## WIOA Dislocated Worker – Adult Transfer Recommendation

2020-2021

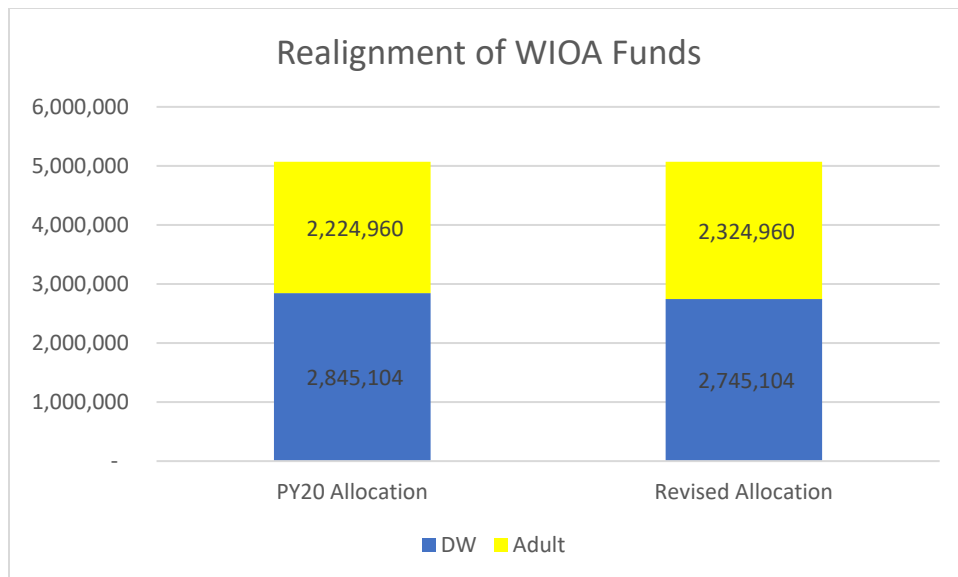

### Background

Capital Workforce Partners has had substantial resources that target Dislocated Workers this year, including \$3.5M in National Dislocated Worker grant funds, \$4.2M in CARES Act funds, and a \$435,000 Covid-19 Disaster Recovery grant from CTDOL. As of March 31, 2021, 42% of AJC enrolled job-seekers were low income adults, while WIOA Adult funds constitute just 17% of available resources. A transfer of \$100,000 from the WIOA Dislocated Worker allocation to the WIOA Adult allocation will enable Capital Workforce Partners to better align resources to the job-seekers using American Job Center services in the North Central Region.

### Recommendation

Request a transfer of WIOA funds from Dislocated Worker to Adult to align the distribution of funding to meet customer training needs.

Program	PY20 Allocation	Transfer	Revised Allocation
Adult	2,224,960	100,000	2,324,960
DW	2,845,104	(100,000)	2,745,104
Total	5,070,064	0	5,070,064

### Next Steps

- Solicitation of public comment on transfer request
- Submission of transfer request to CT Dept. of Labor

*State of Connecticut*  
*WIOA Title IB Adult and Dislocated Worker Transfer Request*

---

Workforce Development Area:

North Central

Explanation of Transfer:

Training resources for the Adult population are limited compared with training resources for Dislocated Workers in PY20/FY21. The region received CARES Act funds, as well as a National Dislocated Worker Grant and a new H1B Grant that provide substantial training resources for Dislocated Workers. This transfer will align the WIOA Adult and Dislocated Worker budgets more closely with actual customer training needs.

WIOA Title IB Adult Allocation	<u>\$2,224,960</u>
○ Amount Transferred from Dislocated Worker	<u>\$100,000</u>
○ Amount Transferred to Dislocated Worker	<u>0</u>
