

Happy  
**45th**  
Anniversary

## Capital Workforce Partners is having a party and you're invited!

**This is one of CWP's major signature events and this year is extra special as we are marking our 45th Anniversary! We hope that you can join us.**

We look forward to celebrating and recognizing CWP's great partners for whom we are truly grateful.

On this occasion, we will not only look back on an amazing year but also reflect on four decades of incredible accomplishments and recommit ourselves to supporting our region's employers' workforce needs while continuing to help individuals across North Central Connecticut pursue meaningful careers.

The Annual Meeting will include an exciting keynote speaker as well as an awards presentation, honoring those that went the extra mile in furtherance of our mission.

**YOU** have been integral to our achievements and this gathering would not be the same without you.

To register, for more information on sponsorship opportunities or any questions or concerns, please contact John Hampton, CWP's Communications Manager, at 860-899-3575 or at [jhampton@capitalworkforce.org](mailto:jhampton@capitalworkforce.org).

*Save the Date*
