**Policy and Procedures Transmittal Number:** 23-06

**Effective Date:** May 1, 2023

**To:** CWP Staff and Subrecipient Staff

**From:** Julie Watson, Compliance & Accountability Administrator 

**Issue Date:** May 8, 2023

**Subject:** WIOA Youth Supportive Services Policy

With this transmittal, CWP is issuing revised WIOA Youth Supportive Services policy. The most significant change is the provision of assistance with expenses related to obtaining WIOA eligibility documentation.

In addition to being attached to this transmittal, this policy can be found in CWP's online Policy and Procedures Manual, Section 5-60 WIOA Youth Supportive Services at <https://capitalworkforce.org/policies/>.

Questions regarding CWP's WIOA Youth Supportive Services Policy should be addressed to Angelica Heron, CWP Youth Services Manager at [aheron@capitalworkforce.org](mailto:aheron@capitalworkforce.org).

The assessment identifies any barriers that the participant might have to successfully accessing training or accepting or retaining employment and it establishes whether the participant is eligible for, and able to obtain, supportive services from any other source. The results of the assessment are documented in the participant's Individual Service Strategy (ISS).

4. Assistance with Obtaining Program Eligibility Documentation (CTDOL WIOA Policy Manual Section 36.4 and Section 19 Expanded Disconnected Youth Considerations)
  - a. Supportive Services can be used to pay for the expenses related to obtaining required WIOA eligibility documentation as long as the participant is otherwise eligible and self-attests to program eligibility pending receipt of documentation. If it is determined that an applicant, who appears to be otherwise eligible, does not have the resources to obtain the required documentation, the applicant may self-attest to the required eligibility factor and be certified based on the self-attestation. Once they are certified, supportive services payments can be used to assist with obtaining the documentation.
  - b. Eligibility elements that require documentation (the use of self-attestation is only temporary until documentation is obtained) include:
    - i. U.S. Citizenship or authorization to work in the United States
    - ii. Social Security Number
    - iii. Age
    - iv. Selective Service Registration
    - v. Low Income Status
    - vi. Other categories as deemed necessary where self-attestation is not acceptable by CT DOL or under federal law
  - c. Participants are provided with a deadline, not to exceed 30 days, to submit the required documentation. Program provider staff assist the participant to obtain the documentation, to the extent possible. Documentation of required eligibility elements must be obtained prior to enrollment in training and/or program exit.
  - d. If eligibility documentation proves the individual is ineligible for WIOA or if the documentation is not acquired before the exit date, CWP is notified immediately.
  
5. Parameters of Supportive Services Payment Issuance (CTDOL Policy Manual Section 36)
  - a. Supportive services must be provided equitably, i.e., supportive services must be made available to all eligible participants in accordance with this policy and these parameters.
  - b. Supportive services issuance must be approved by program provider supervisor or manager prior to issuance.
  - c. Supportive services may be provided either directly to, or on behalf of, participants as necessary to reduce or eradicate barriers to obtaining or retaining employment, to maintain training participation and/or to obtain required eligibility documentation, if certified eligible based on self-attestation.
  - d. The participant may request that the payment be issued later but may not claim a retroactive payment.
  - e. The amount of a supportive service payment must be determined based on the actual cost of the service or item, or a reasonable estimate based on available information.
  - f. No further payments are issued if the participant fails to participate without good cause.
  - g. Issuance of supportive services payments is subject to fund availability.
  - h. Participant's self-disclosure or declaration of expenses without documentation is not allowable.

Local resources include services available through one-stop partners and community services. A description of the barrier and how it prevents participation in career and training activities, or the acceptance of employment, is documented in the case notes section of the participant’s record. The exploration of one-stop and community resources to address the barriers is also documented in the case notes section of the participant’s record. See CWP Policy 5-15 Barriers – Documentation and Recording and see section D.5 of this policy for more instructions on recording and documenting barriers.
2. Requesting Supportive Services
- If after exploring all available resources the barrier to participation is not resolved, program provider staff request a supportive service that will resolve the barrier and allow the individual to participate in career or training activities. Program provider staff request supportive services by completing a supportive service request form (signed by both the participant and program provider staff submitting the request) and submitting it to their supervisor for consideration and approval. The request for supportive services is documented in the case notes section of the participant’s record and the
